

Superior Court for Family Matters Standing Orders

Standing Order Regarding Matters in which the Attorney General is Counsel for the State of Connecticut – Effective December 1, 2009

In all matters in which the Attorney General has entered an appearance on behalf of the state of Connecticut, where the sole interest of the state is the provision of HUSKY health insurance to family members (that is, where no financial support has been provided to members of the family), instead of appearing at a court proceeding the Assistant Attorney General may, before the court proceeding, file a written claim for relief regarding the state's interest in the matter.

The Honorable Lynda B. Munro
Chief Administrative Judge
Family Division
