Judge Yamin

From: Diane DuBaldo, Tolland Probate Court

Although I cannot attend today's Budget Committee meeting, I would like to convey my thoughts to the Committee.

- What is the reason for not grandfathering the benefit package for probate court employees (i.e. vacations)?
- Will our salaries not be grandfathered?
- The workload of the Clerks has increased significantly this year with the implementation of the consolidation of courts. The consideration of an increase should be fair for both Clerks and Probate Administration.
- Have you considered life insurance and long term care insurance to be included in our benefit package?
